Exhibitors have to send us a specific form with company letterhead for valuable (cargo value exceeding **USD1,000.00 per kg gross weight or USD86,000.00 per piece**) and chilled / reefer or dangerous cargo. The completed forms should reach us before shipment dispatched, relevant charges will be quoted upon request.

Our service charges exclude air-suspension truck transportation. If air-suspension truck transport required, exhibitors should contact APT for quotation and order this additional service to APT before shipping.

15) Temporary Importation

The Chinese Authorities permit exhibits into China on temporary importation basis under approved trade shows. Temporary import is allowed for max. 1 month from the date of entry and must be re-exported after show closing.

ATA Carnet issued in English is accepted for temporary import in China, but **ONLY** for purpose as 'Exhibition & Fairs'. Customs Bond Fee will be levied for temporary import shipment without ATA Carnet.

Please PAY ATTENTION that only promotion catalogue / brochure is accepted as temporary importation under exhibition. All other given-away items such as ball pen, USB disk, cap, clothes, scissor and stationery etc. is not accepted temporary import under exhibition purpose. Please consult APT for such one-way shipment about shipping instruction / deadline and quotation.

All exhibition goods by temporary import are under Customs control not allowed to transfer to permanent entry and must be re-exported out of mainland China after the exhibition. The Customs won't accept exhibits as disposal or abandon after show close. Exhibitors should not allow their exhibits to be sold, abandoned or taken away from the fairground without prior agreement with the China Customs

Section 4 Freight Handling

through APT Showfreight, otherwise exhibitors will get severe punishment by the Customs. Additional charges shall be for account of the exhibitor.

16) Permanent Importation

For any exhibits which will stay in China at show close, please note direct permanent import should be arranged. The buyer in China (with valid import document & license) shall be acted as the actual consignee of shipment from arrival port. Exhibitor need to provide APT Showfreight with the actual buyer's information as well as the party who will bear the duties / taxes.

Please contact APT in advance / before shipping if any permanent import or sold exhibits is required. We shall check and advise if any solution for permanent import on each individual case.

17) Important Notice for Packaging Requirements

The outer packaging of the exhibits shall be suitable for repeated uses to ensure the safety of the goods during transportation and loading/unloading. The exhibitors shall be liable for any consequences arising out of improper packaging. **Please pay attention to below suggestion for packing materials:**

- 1) For the convenience of disassembly and assembly, all cases shall be fixed with bolts instead of nails;
- 2) No carton shall be used for packaging if the exhibits need to be returned and shipped out of China;
- 3) All cases shall be equipped with sleepers at the bottom to facilitate forklift operations;
- 4) Packaging shall be waterproof to avoid being soaked by rain;
- 5) **Important Notice for requirements of Packing Material:**

Due to the new Customs quarantine inspection regulation of solid wood with extra at least 9 working days and fees for clearance which cause delay to miss the exhibition, please ONLY USE NON-WOODEN PACKING materials such as PLASTIC or PLYWOOD pallet & case for all exhibition goods. Please DO NOT USE ANY SOLID WOOD material such as solid wooden boxes, wooden pallets, wooden frames, wooden skids, wooden sleepers, lining wood (not including plywood, fiberboard and wood chipboard).

All import exhibition goods with solid wooden packing materials failed in quarantine inspection will cause either be destroyed on the spot by China Customs, or not cleared and forcibly returned.

18) Controlled Items in China

Section 4 Freight Handling

In case the shipment contains any controlled items by the Chinese Government, we strongly recommend that the list of exhibits should be e-mailed to APT Showfreight for checking prior to the shipment departure from the country of origin.

The importation of below commodities is under Customs strict control even for exhibition purpose and subject to special permit in China:

- Foodstuff, Beverage
- All tableware / kitchenware such as cup, mug, tissue/wipe & bowl (including name card bowl) etc.,
- Watches, toys
- Cosmetics / Skin care items
- Any items / materials with Endangered Species
- Animal, plant
- Art work (including: all painting, photo, print, sculpture or installation etc.), Antiques, Jewelry etc.
- Solid wood or plywood full set of furniture or component / accessory, all stand building material such as wooden or plywood or MDF floor / panel etc., or furniture
- All electric products including charger, portable battery charger/bank, lamp, wire, cable, plug etc.
- Glass or plastic products such as glass panel for stand building material
- Chemical products such as glue, paint etc.,
- Medical products such as Medicine, First-aid kit etc.

Without Chinese Customs' approval, above items can't be imported, distributed/ tasted/ sold and/or consumed during the exhibition.

19) Printed / Publicity Materials Restrictions

All exhibitors are advised that all promotional materials to be imported or give-away during the exhibition must not indicate or deem to indicate that Taiwan or Tibet is a Country such as 'ROC'.

All book / magazine with ISBN / ISSN bar code can't be imported under the exhibition. Please note magazine with ISSN code and book with ISBN code may be permanent imported through a specialized book trader agent, which will cost additional book trade agency fee to be quoted upon shipment details.

Films/ slides/ video tapes/ CDs, VCDs, DVDs/ USB disk with data or content, map and globe are not allowed to import, display, distribute & consume during the show due to import license restriction, so please DO NOT send any above items with shipment. APT will not take any responsibility of the shipment detained/delayed due to lack of import license.

Section 4 Freight Handling

In addition, exhibitors are advised that brochures, give-aways and souvenirs are subject to import duties as assessed by the Chinese Customs which must be payable on entry.

20) Hand-Carry Exhibits

Exhibitors are strongly advised not to hand-carry goods for this exhibition as it could be detained by the Chinese Customs at the airport. Once detained, please note the detained shipment may not be imported as exhibition goods because the list of exhibits of detained goods were not submitted in advance to the customs system at least one month before show. Exhibitors should immediately hand over the detention receipt and the duly filled List of Exhibits to our staff at the fairground to load the goods from the airport. These exhibits will then have to be returned as cargo freight.

The handling charges for the hand-carry items will be the same as our inbound airfreight charge, plus late arrival surcharges as applicable.

21) Courier Service

We do not recommend to send it via courier service (DHL, FedEx, UPS) as the cargo might be detained by customs, **unless** the shipment is very small (**under 20kgs total weight**) and low value (**under USD50 total value**). Otherwise airfreight is a better choice.

Once courier detained, please note the **detained courier shipment may not be imported** as exhibition goods because the list of exhibits of detained goods were not submitted in advance to the customs system at least one month before show. Please note the shipper should contact with APT before sending out courier.

If exhibitor insist to send by courier service, the exhibitor should know and take full responsibility for the risk that the cargo might be detained and can't be delivered in time which is beyond control. Please check with APT for detail address before sending.

Please let us have air waybill copy once available. Please also note that even shipment is not detained by customs, handling charges from free arrival our office up to your booth will still be occurred @ **USD155.00 /shipment + import duty & tax (as per outlay+10% handling fee)**. But if shipment is detained by customs, handling charges will be the same as normal airfreight shipment as per tariff.

There is courier fee of sending original shipping documents (like OB/L or ATA) at **USD60.00** per consignment.

Section 4 Freight Handling

22) Hall Floor Load-Bearing Capacity & Door Limit

The exhibition hall T0 – T4 floor indoor load-bearing capacity is max. 500 kgs / square meter, N1 - N5 & E6 - E7 floor load-bearing capacity is max. 3,000kgs / square meter. **Exhibitors who have over load-bearing capacity exhibition goods should self-prepare or rent steel plates with APT in advance to protect indoor floor. Steel plate rental fee will be quoted upon enquiry with cargo details.**

The max. limit of hall T0 – T4 freight door is 2.0(w)x2.0(h) m, N1 - N5 & E6 - E7 is 4.0(w)x4.0(h) meter.

23) Re-export

The re-export formality takes at least 2 weeks prior to shipment departure from China. If any exhibits need to be return urgently, please write to APT Showfreight of your request before show open.

Please pay attention that the Customs system requires one exhibitor's temporary import shipment under one House AWB or B/L should return all items together as one shipment and no separate / partial return as different shipments or to different destinations can be handled after show close.

24) Hire of Labor and Additional Services

Our rates are based on services during normal work hours. If additional labor or equipment required, please contact for quotation by 48 hours before move-in.

For additional services not listed above, an individual quotation will be given upon receipt of specific requirements.

25) Insurance

It is the responsibility of each exhibitor to arrange Marine (Transport) Insurance covering transport to the exhibition, during the exhibition, till the return of the exhibits to domicile/ exhibits sold locally, including the period the exhibits are handled by APT Showfreight. Our tariff is computed based on volume and weight and has no correlation with the exhibits value which means the cost of insurance cover is not included in our charges. If exhibition goods were damaged by APT's fault with full proof and no insurance covering, maximum claim should be within three times of APT handling fee for the damaged exhibits. APT is not responsible for any damage not caused by APT's fault. If the exhibits were damaged by the third party (including but not limited to the carrier, loading and unloading company, etc.), the exhibitor shall directly claim to the third party, and APT should not be responsible for it. Third party recourse from any insurance company is not accepted.

Section 4 Freight Handling

26) Terms and Conditions

APT Showfreight does not take any responsibility for:

- a) Exhibits which are not allowed by the organizer or Chinese Customs to be sold or displayed at the fairground.
- b) Any tax/duty for sold exhibits
- c) Loss of goods whilst on display at the venue

All business is transacted only in accordance with Standard Trading Conditions. A copy is available upon request.

Use of APT Showfreight's services – be it partly or in full – and any requirement for additional services at any time before, during or after the exhibition express orally and/or in writing and/or by conduct, implies acknowledgement and acceptance of the General Trading Conditions, terms, quotation and charges.

27) Remarks

Above rates exclude: insurance coverage, any additional services not listed above, Customs inspection fee, overtime handling after working hours on normal working days (09:00 - 18:00 every Monday to Friday), storage due in seaport/airport, terminal or freight forwarder's warehouse and removal charges due to late receipt of negotiable shipping documents, container grounding / lifting & storage at show site, demurrage & detention, any duty / tax payable to the Chinese government and endorsement of relevant government departments, which will be charged at cost plus 10% reimbursement fee. The above charges are based on USD currency, the exchange rate will change based on actual bank exchange rate. This tariff does not include any VAT. If any payment is settled to our bank account in Shanghai, 6% of the total value will be charged.

For details of shipping instructions, please contact APT and TWI for the full version Official Shipping Manual.
