Marketing Promotion Opportunities

March 20-22 2019

Shanghai New International Expo Centre

The key to a successful trade show experience is leveraging available tools and techniques to maximize your sales opportunities. Experienced exhibitors take advantage of many promotional opportunities in event directories, on-site signage, advertising etc. to set their company apart from the rest.

SEMICON China & FPD China has been the biggest exhibition in the world that attract the most influential and important buyers in global semiconductor industry. Having a thorough marketing campaign can reinforce your sales message in a dynamic setting where exhibitors compete for attention.

A

Attendee Badge Insert

A1

Production included, Limited to 4 sponsors

Order deadline: Dec. 30, 2018

Put your company name and logo on virtually every SEMICON China attendee with these eye-catching badge inserts. Turn every visitor into a walking advertisement for your company.

YOUR BENEFITS:

Logo on insert (91,252 visitors in 2018)

Company featured prominently to all visitors allowing for easy locating of booth

Logo and short company profile on sponsors page of the SEMICON China 2019 website linking to sponsor's website of choice

Price: US \$8,000 / 10,000 inserts

SPECIFICATIONS:

Two-sided, full colour, design provided by sponsor

Size: 9.8cm (l) x 5cm (w)

Format: AI or EPS only

Attendee Lanyard

A2

Production included, Limited to 4 sponsors

Order deadline: Dec. 30, 2018

At the registration and badge pick-up stations, visitors receive a lanyard which is worn during the entire three-day exhibition. The display of your company's logo on the lanyards ensures your company's name is prominently featured throughout all visitor interaction during the event.

YOUR BENEFITS:

Logo on lanyards (91,252 visitors in 2018)

Logo and short company profile on sponsors page of the SEMICON China 2018 website, linking to sponsor's website of choice

SPECIFICATIONS:

20mm x 93mm

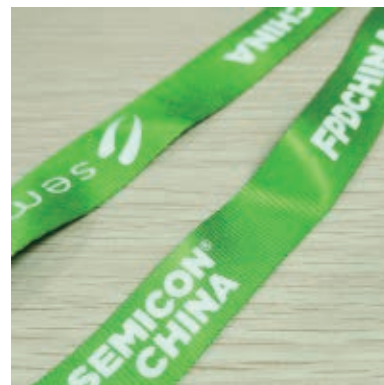

Single-sided, monochrome printing

Intervals between sponsor's logo and the exhibition logo

Sponsors can choose the colour of the lanyard and the logo

Design provided by the sponsor, format: AI or EPS only, 300DPI

Price: US \$10,000 / 10,000 inserts

Show Site Marketing Promotion Opportunities

A

Outdoor Billboard Advertisement

A3

Production included

Order deadline: Dec. 30, 2018

Standing right outside the entrance to the SNIEC, the outdoor billboard advertisement catches all your customers' attention as they arrive. Use the opportunity to help raise awareness of your presence and drive traffic to your booth.

Price: US \$10,000: 5m×8m US \$20,000: 5m×16m

SPECIFICATIONS: Format: AI or EPS only

Show Bags

A4

Production excluded
(provided in the exhibition only)

Order deadline: Dec. 30, 2018

Nearly everyone grabs a bag before heading to the exhibit floor. Your logo on these highly sought-after and reusable totes will be distributed at multiple Shanghai New International Expo Centre locations.

Price: US \$10,000 / set (30,000 inserts)

Show Site Marketing Promotion Opportunities

A

Inner Plaza Outdoor Directional Advertisement Sign

A5

Order deadline: Dec. 30, 2018

Located in the inner plaza of the exhibition center, these directional signs provide a dramatic presence for your company brand and message.

Price: US \$4,500/side: 3m×6m per side

SPECIFICATIONS: Format: AI or EPS only

Carpet Decal

A6

Order deadline: Dec. 30, 2018

These bright floor decals show your customers the way to your booth, drawing attention to your company and leading a path right to your exhibit.

Price: US \$1,500/piece

SPECIFICATIONS: Format: AI or EPS only 1.5m×1.5m

Show Site Marketing Promotion Opportunities

A

Corridor Advertisement between Halls

A7

Order deadline: Dec. 30, 2018

These eye-catching advertisements, posted in the corridors between the exhibition halls, are ideally placed to reach a maximum audience of visitors.

Price: US \$5,000 5m×0.7m×2pieces (4 sides)

SPECIFICATIONS: Format: AI or EPS only

Corridor Advertisement between Hall N1 and 2 # Registration Hall

A8

Order deadline: Dec. 30, 2018

Limited to 2 sponsors

The entrance corridor is the connection between the 2 # of Shanghai New International Expo Centre and the Hall N1, which is the main entrance to Hall N1-N5 with streams of people. The length and height are perfect for advertising and attracting visitors.

Price: US \$5,000 5m×1.5m×1piece (2 sides)

SPECIFICATIONS: Format: AI or EPS only

Corridor Signage Board

A9

Order deadline: Dec. 30, 2018

Located in the corridor connecting between every Hall, these directional signs provide a dramatic presence for your company brand and message. These signs can attract visitors and guide them to your booth.

Price: US \$2,000 / side (Production included)

SPECIFICATIONS:

One side/ sign 1m×2.5m/ side

First come, first choose

Design provided by the sponsor, format: AI or EPS only, 300DPI

B

Onsite Visitor Guide

Order deadline: Jan. 30, 2019

BI

The Onsite Visitor Guide is given out free of charge to exhibition visitors as an orientation aid. It contains an overview of the exhibition halls with booth locations and exhibitors (in alphabetical order per hall). These handy, popular pocket-size fold-out maps lead attendees through the expansive exhibit floor to the companies they want to see.

Price:

US \$20,000: Front cover 4-color ad (1/4 front page)— Limited for 1 sponsor

US\$15,000: Cover Two or Three 4-color full page ad

US\$10,000: Back cover 4-color ad(1/4 front page)— Limited for 2 sponsors

US\$6,000: Inner full page 4-color ad

US\$3,000: Inner half page 4-color ad

US \$1,000: Logo placement in Floor Plan Guides (Inner page)

US \$500: Bold your company name of the exhibitor list:

YOUR BENEFITS:

Distributed free of charge to all visitors (91,252 visitors in 2018)

Company featured prominently to all visitors allowing for easy locating of booth

B2

All year round media plan

Semiconductor Manufacturing magazine covers every segment of China semiconductor manufacturing industry. It is the tailored magazine for executives, managers, engineers and researchers focus on the market trends and latest technologies.

Note: Each price in this table below is Unit Price

AD.Type	1 issue(\$)	3 issue(\$)	5 issue(\$)
Full Page	3,200	2,600	2,000
2/3 Page	2,400	1,950	1,500
1/2 Page	1,920	1,560	1,200
Cover Two Spread		7,000	
Cover Two		4,000	
Cover Three		4,000	
Cover Four		4,900	

March special publication

outlook

The annual column "outlook" of Semiconductor Manufacturing Magazine meets with you every March. In it, leaders of 20 selected companies shares their insights of industrial and technological trends and hot applications.

Exhibitor's Preview

As a special part of the annual event Semicon China, we will select 18 participants to show their new products and technologies in the annual column "Exhibitor's Preview " of Semiconductor Manufacturing Magazine every March.

SEMI China WeChat Public Platform Order deadline: Feb.28, 2019

SEMI China WeChat Public Platform provides daily message push of semiconductor industry for more than 45,000 followers at present, it is the important channel to learn the industry information. There is also an opportunity for your company to publish your news through this platform, let your customer know your product and company news timely.

Price	Period	Price(\$/piece/once)
	Mar.20~Mar.22, 2019	other
Articles (Non-Headlines)	3,000	1,500
Banner(Embedded in Headlines)	3,000	2,000
Words + Link (Embedded in Headlines)	3,000	2,000

Note:

Article is required to be provided two working dates ahead, SEMI has the right to do the necessary edit base on mutual communication. The push date required to be confirmed one week ahead.

B5

SEMICON/FPD China 2019 Mobile Service Platform Order deadline: Feb.28, 2019

SEMICON/FPD China 2019 mobile service platform integrates online registration, events research, booth research, speaker information, exhibitor activities, etc, provides a one-stop service for visitors and exhibitors. It also contains invitation letter templates for exhibitor's use, offers exhibitor recommendation service, letting visitors find your booth at the first time. The platform will be on-line in Dec, 2018.

Price:

Banner Location	Price(\$/piece/once)
Homepage	\$1000/month
Booth research page	\$1000/month

Your Benefits:

- 9w+ visitors will use this platform during the period of the exposition
- Series of promotion to attract visitor for pre-registration through this platform
- Company name will be listed as recommended exhibitors on the homepage
- The Platform will be fully promoted through SEMI China Media.

Note:

Banner size and promotion period is required to be confirmed with SEMI China in the Dec., 2018.

Forum Promotion Opportunities

Order deadline: Dec. 30, 2018

Grand Opening Keynote

The grand opening keynote marks the start of SEMICON China and FPD China 2019. A collection of industry top leaders and experts will attend this high-profile event and give fabulous speeches. Please come to join us. You will gain insights to the global industry and market, network with the industry leaders and professionals who are playing vital roles in global Pan-semiconductor industry.

Elite Sponsorship US\$20,000

- Company logo on the backdrop
- Company signage on the prominent location
- Company brochures placed on file folder
- Company name acknowledged by the MC at the Grand Opening Keynote
- Promotion of sponsor during the whole promotion activities of Grand Opening

China Semiconductor Technology International Conference

Plan now to participate at CSTIC 2019, one of the largest and the most comprehensive annual semiconductor technology conferences in China and Asia since 2000. Organized by SEMI, IMEC and IEEE-EDS, co-organized by IMECAS. CSTIC 2019 will be held on March 18-19, 2019 in Shanghai, China, in conjunction with SEMICON China 2019. The conference will have nine symposiums cover all aspects of semiconductor technology with focus on manufacturing and advanced technology, including detail manufacturing processes, devices design, integration, materials, and equipment, as well as emerging semiconductor technologies, circuit design, and silicon material applications. Hot topics, such as memory technology, 3D integration, MEMS Technology will also be addressed in the conference.

SEMI Golf Tournament

D3

The SEMI Golf Tournament will gather industry leaders from across the semiconductor, flat panel display, and PV industries on March 23, 2019. This fun, relaxing networking event gives executives the opportunity to meet face-to-face away from the busy show floor, and gives you the opportunity to showcase your company in front of an important and influential audience.
